Victorian Style Picket Fence

Iron picket fence is the oldest of all metal fence, with ancestry dating back to the 17th and 18th centuries. In England fence erected in the 17th century is still in service.

Anderson Iron fence is made with all the care of the old masters. It will endure throughout the years, beautifying and protecting the property it surrounds..

IRON ESTATE FENCE & GATE IEF3

IRON ESTATE FENCE & GATE IEF4

Warranty

5-year warranty on workmanship and materials.

This excludes the finish. Customers must be aware that wrought iron is low maintenance, not maintenance free.

It is excepted that with the size and weight of our product touch up will be necessary.
